

Summer Transition Program 2011 Motor Vehicle Agreement

I, _____, agree to use my motor vehicle **on the weekends only**, unless given written permission by a counselor if and only if there is a necessity to use my vehicle. The terms of this agreement include:

- Abiding by university/state traffic rules
- Adhering to curfew policies
- Classroom performance of C level or above

Failure to comply with any of the above terms may result in revoking driving privileges and/or three (3) discipline points. I understand that use of my car without signed and dated written permission from a counselor during the week (Monday - Friday) will result in an incident referral and three (3) points added to my point system total.
