The 100 Best Fleets in North America™

Present a Fleet Forum to

Implement Best Business Practices with proven strategies to meet the current fiscal crisis.

Friday, November 20, 2009; 9am-2pm, lunch provided

City of Durham Fleet training room

1900 Camden Avenue

Durham, NC 27704

Please see <http://www.Mapquest.com> for directions.

Topics to be discussed:

- The city of Durham was one of the top 40 Government Green Fleets in the country. EPA said they were the best they had seen in the state. A tour of this award winning facility is included.
- Consolidation of Charlotte and Mecklenburg County fleet departments saved \$640,000 the first year.
- Ed Finnegan from the State of Georgia will discuss one idea that saved the state \$130,000 in 3 months.
- Jon Tegtmeier from Huntsville, AL will discuss key performance indicators and how to apply them for smarter and faster data-driven decisions.
- Alternative financing that saved the city of Phoenix \$12 million dollars last year.
- A new technology to eliminate RFPs for good and still get top quality products at the lowest possible price. One fleet in Virginia saved 35% on \$700,000 worth of equipment.
- 5 breakthrough ideas from the 100 Best Fleets that cost nothing to implement.
- A 3-page actionable business plan
- A comprehensive audit of your fleet
- A survey of 1 million employees of what motivates them to excellence

- The criteria for the 100 Best fleets and the Government Green Fleet contest
