Memorandum

To: John Chaffee, SPARCS
From: College of Engineering – Office of Research Administration
Subject: Salary Verifications 2008
Date: 02 January 2008

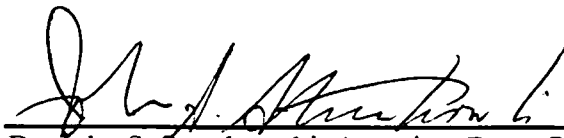

The salary range within the College of Engineering for Graduate Research Associates and Post-Doctoral level employees is as follows:

Graduate student working half-time or 20 hours per week is \$1,218 to \$2,190 per month on a 9-month academic or 3-month summer appointment.

Post-docs working full-time, 40 hours/week, is \$3,040 to \$5,470 per month on a 12-month appointment.

Please let us know if you require further information.

Thank you.

Dr. John S. Strenkowski, Associate Dean, Research and Graduate Programs
College of Engineering
