Opportunity Overview for Engineering Summer Programs Teacher Team Leader:

We are very pleased to offer the following stipend opportunity for elementary, middle and high school teachers. The opportunity involves leading a team of approximately 12 elementary or middle school students or 24 high school students, providing mentoring and behavior management and collaborating with other team leads, undergrad counselors and high school assistant counselors.

Applicants should be interested in learning how to use engineering to help make academic connections in their classrooms. They should be highly motivated and enthusiastic individuals, interested in hands-on activities, and are able to work well with peers and children. Teachers should be interested in learning about ways to bring engineering to their classroom and how to facilitate learning in a collaborative environment.

We are not limiting teachers to selecting camps based solely on the grade levels that they currently teach.

Stipend Rates are $130/day for time spent in the camps and in training. Daily camp hours run approximately 8:00am until 4:00pm. Additional time may be required before and after the daily camp session. Lunches are provided during the camps and training sessions.

Camp Employment Options:

2. Middle School Camps: June 13 – 17 and June 20 – 24, 2016

Mandatory Paid Training Dates:

- Teacher Training: Friday, April 22, 2016 (11am – 5pm) and Saturday, April 23, 2016 (9:00am – 5:00pm) Wilson, NC at the Eastern North Carolina School for the Deaf. Accommodations will be provided.
- All Staff Camp Prep: Saturday, May 21, 2016 (8:30am – 5:00pm)

To apply, email coe-theengineeringplace@ncsu.edu with the following enclosures, using the email heading “Teacher Team Lead Application for First Name Last Name”:

1. Current resume
2. Letter of interest clearly stating which position(s) that you are interested in applying
3. List of three references
