Wilson Engineering Camps 2016
Elementary Grades: June 27 – July 1, 2016
Rising 3rd, 4th, and 5th Grade Students

Middle Grades: June 20 – June 24, 2016
Rising 6th, 7th, 8th, and 9th Grade Students

LOCATION: Eastern North Carolina School for the Deaf
and Wilson Community College

Student Application

The NC State College of Engineering in partnership with Wilson Community College, the Eastern North Carolina School for the Deaf and the Upper Coastal Plain Learning Council will be offering a week-long, non-residential summer day camp for elementary and middle school students. The camp will be led by area teachers in collaboration with The Engineering Place from NC State University.

For more specific program information refer to The Engineering Place’s website at:
http://www.engr.ncsu.edu/theengineeringplace/summerprograms/index.php

Additional questions? Contact Dr. Kathy Lawson (252-813-7510) or Betty Jones (252-813-8934)

The camp will be from:
9 a.m. to 3:30 p.m. – Monday through Friday
Students can be dropped off from 8:30 a.m. – 9 a.m.
Students MUST be picked up by 3:45 p.m.

Camp Costs:
$250 per student. A limited number of need-based partial scholarships may also be available.

Application Process:
1) Complete the application packet.
2) Student completes a brief statement on why she/he would like to attend camp.
   The student statement is very important in the selection process, so the student should take his or her time composing this statement.
3) If you are requesting to be considered for a need-based scholarship, obtain a letter of demonstrated financial need from the school district’s Child Nutrition Department.
   Since we do not wish to receive personal financial information from families, we rely on the schools to indicate demonstrated need. Generally, participation in free or reduced lunch program is an indicator, but other needs may be considered. For home schooled students, parents should write the letter for the scholarship request indicating factors influencing financial need without providing specific financial information.
STUDENT APPLICATION
Wilson Engineering Camps 2016

Check one: _____ Attending Elementary Camp     _____ Attending Middle School Camp

Personal Information:
First Name_________________________________ Last Name_________________________________
Address_________________________________________________________ City______________________________
