SCIENCE IN THE MOVIES

*Insects star in “Bugs: Fear, Fascination, and Fantasy”
screening and discussion*

Tuesday, September 13

7 p.m. – 8:30 p.m. ■ James B. Hunt Jr. Library Auditorium

The panel of experts will show and discuss clips from their favorite insect films, such as *The Silence of the Lambs*, *The Swarm*, *Indiana Jones and the Temple of Doom*, and *Them!*

Free and open to the public.

HOST:
Brian Malow

PANELISTS:
Dr. Alper Bozkurt;
Dr. Marsha Gordon;
Dr. Matt Bertone;
Dr. Holly Menninger

*Science in the Movies is co-presented by the NCSU Libraries
and the Science Communicators of North Carolina.*
