

EARN YOUR DEGREE **ON CAMPUS**

The College of Engineering at North Carolina State University is among the top engineering schools in the nation in research, education and outreach. NC State Engineering ranked 15th in a recent *Wall Street Journal* survey of Fortune 500 recruiters. The College offers 18 bachelor's, 17 master's and 13 doctoral degrees on campus. The College is committed to the integration of research and education at all levels.

EARN YOUR DEGREE **ONLINE**

College of Engineering courses are made available to distance education students via Engineering Online. Class lectures presented to an on-campus class by NC State faculty are captured, digitized and placed on the Internet for distance students to view at any time and from any location.

No on-campus attendance required. Individuals have up to six years to complete their degrees.

PROGRAMS OFFERED **ON CAMPUS**

- Aerospace Engineering
- Biological and Agricultural Engineering
- Biomedical Engineering
- Chemical Engineering
- Civil Engineering
- Computer Engineering
- Computer Networking
- Computer Science
- Electrical Engineering
- Environmental Engineering
- Industrial Engineering
- Integrated Manufacturing Systems Engineering
- Materials Science and Engineering
- Mechanical Engineering
- Nuclear Engineering
- Operations Research
- Textile Engineering

For more information about on campus programs go to www.engr.ncsu.edu.
