

13TH ANNUAL FRESHMAN ENGINEERING DESIGN DAY

Freshman Engineering Design Day is an opportunity for first-year engineering students to showcase their fall-semester design projects through display and competition. These projects allow students to put core design concepts into practice while learning how to successfully work in a design team.

Tuesday, November 20, 2012
9 am - 11:30 am and 1 pm - 3:30 pm

YOU'RE INVITED!

Freshman Engineering Design Day

Tuesday, November 20, 2012

9 am - 11:30 am and 1 pm - 3:30 pm

McKimmon Center
1101 Gorman Street
Raleigh, NC

Free parking at the McKimmon Center.

We'll be showcasing more than 400 team projects, including Rube Goldberg machines, concrete canoes, nuclear reactor probes, bubble blowing machines, water fountains, arcade games and more!

Hosted by NC State's First Year Engineering Program and sponsored by the NC State Engineering Foundation.

Students will know the presentation times for their individual teams.
