### THE OUTLOOK FOR ENERGY: A VIEW TO 2040

**Cory Thompson** is a district sales manager for ExxonMobil Fuels, Lubricants, and Specialties Marketing Co. He is responsible for distribution and sales of finished lubricants to industrial and automotive customers in the central United States. In his address, the NC State electrical engineering alumnus will provide a long-term view of the world's energy future over the next three decades.

**FRIDAY, APRIL 13, 2012**

Reception // 9:45 a.m. EBII, Room 3211 • Lecture // 10:35 a.m. EBII, Room 1231
