

2017 EASTERN NORTH CAROLINA MIDDLE SCHOOL ENGINEERING CAMP APPLICATION

Craven Community College, Havelock

July 17 – July 21, 2017

Rising 7th, 8th and 9th graders

The NC State College of Engineering in partnership with Craven Community College will be offering a week-long, non-residential summer day camp for middle school students (rising 7th, 8th and 9th graders) on campus at Craven Community College in Havelock. The camp will be led by middle school teachers in partnership with engineering faculty and students from NC State University.

The camp operates from 9 am to 3 pm, Monday through Friday and lunch will be provided daily. The total camp cost is \$250.00 per student and limited scholarships may be available for students with demonstrated financial need.

Application Process:

1. Complete application
2. Obtain recommendation letter from teacher, school counselor or principal recommending student
The recommendation letter should be written by a teacher or other school official and speak on behalf of the student. The letter should address the student's interests and abilities, as well as the student's character and suitability for attending the camp. *Home school students may choose an adult who interacts with the student regularly and can speak to her/his abilities, interests, character, and suitability for attending camp.*
3. Have student complete a statement on why he/she would like to attend camp
The student letter is very important in the selection process, so the student should take their time composing their statement.
4. Obtain letter of demonstrated financial need from school counselor if applying for a scholarship.
Scholarships can be requested for need based students. Since we do not wish to receive personal financial information from families, we rely on the school to indicate to us if a family has demonstrated need. Generally, participation in the free and reduced lunch program is an indicator, but a school counselor or other school official may be able to speak to other factors influencing financial need. *For homeschooled students, parents should write the letter for the scholarship request indicating factors influencing financial need without providing specific financial information.* Please submit this letter with the other components of the application.
5. Mail all the above to the address given on the bottom of the application. Mailing must be post marked no later than April 22, 2017.

Applications submitted after the deadline will only be considered if there are openings in the camp. Approximately 60 students will be selected for camp. We consider a number of factors in selecting attendees from the pool of applicants. **We rely heavily on the teacher recommendation and the student statement of why they want to attend camp to make decisions.** We also select students from a cross-section of backgrounds and geographic areas and invite students who may be interested in engineering, but have little or no background, as well as students who already have some previous experiences. Application date can play a small role when all other factors are equal. *Students will be notified by May 12, 2017 if they have been accepted to the camp or placed on a waiting list.*

If you have questions, please contact Susan Lloyd at 252-444-3357 or sprice@ncsu.edu

This application can be found at www.engr.ncsu.edu/mes

2017 EASTERN NORTH CAROLINA MIDDLE SCHOOL ENGINEERING CAMP APPLICATION

Application must be postmarked by April 22, 2017

Notification by May 12, 2017

Craven Community College, Havelock

July 17 – 21, 2017

PERSONAL INFORMATION

First Name _____ Last Name _____ Preferred Name _____

Address _____ City _____ State _____ Zip Code _____

County of Residence _____ Date of Birth _____ Gender: Female / Male (circle one)

Parent/Guardian's Full Name _____

Daytime Telephone Number _____ Other Telephone Number _____

E-mail Address _____

Optional Ethnic Background (please check all that apply)

- Checkboxes for African-American, Asian, Caucasian, Hispanic, Native American, and Other.

PROGRAM INFORMATION

Have you applied to the NC State Middle School Camp before? YES NO If yes, When _____

Have you ever attended NC State Engineering Camp before? YES NO If yes, When _____

Have you attended any other Science/Technology/Engineering/Math camps before? YES NO

If yes, Camp Name(s) and Date(s) attended _____

How did you hear about this Engineering Camp?

- Checkboxes for School Counselor, Website, Poster, Other, School Teacher, Friend, Previous Participant.

Please consider my child for a need based scholarship (this requires a letter from a school official demonstrating financial need)

SCHOOL INFORMATION

School Name _____

Grade Entering in Fall 2017 7th 8th 9th

Please enter a final grade for each course that applies. (ex: A,B,C,D)

Algebra 1

Science

Other Math
