2018 EASTERN NORTH CAROLINA MIDDLE SCHOOL ENGINEERING CAMP APPLICATION

Craven Community College, Havelock
June 18 – June 22
Rising 7th, 8th and 9th graders

The NC State College of Engineering in partnership with Craven Community College will be offering a week-long, non-residential summer day camp for middle school students (rising 7th, 8th and 9th graders) on campus at Craven Community College in Havelock. The camp will be led by middle school teachers in partnership with engineering faculty and students from NC State University.

The camp operates from 9 am to 3 pm, Monday through Friday and lunch will be provided daily. The total camp cost is $250.00 per student and limited scholarships may be available for students with demonstrated financial need.

Application Process:

1. Complete application

2. Obtain recommendation letter from teacher, school counselor or principal recommending student
   
The recommendation letter should be written by a teacher or other school official and speak on behalf of the student. The letter should address the student's interests and abilities, as well as the student's character and suitability for attending the camp. Home school students may choose an adult who interacts with the student regularly and can speak to her/his abilities, interests, character, and suitability for attending camp.

3. Have student complete a statement on why he/she would like to attend camp
   
The student letter is very important in the selection process, so the student should take their time composing their statement.

4. Obtain letter of demonstrated financial need from school counselor if applying for a scholarship.
   
Scholarships can be requested for need based students. Since we do not wish to receive personal financial information from families, we rely on the school to indicate to us if a family has demonstrated need. Generally, participation in the free and reduced lunch program is an indicator, but a school counselor or other school official may be able to speak to other factors influencing financial need. For homeschooled students, parents should write the letter for the scholarship request indicating factors influencing financial need without providing specific financial information. Please submit this letter with the other components of the application.

5. Mail all the above to the address given on the bottom of the application. Packet must be postmarked no later than April 20, 2018.

Applications submitted after the deadline will only be considered if there are openings in the camp. Approximately 60 students will be selected for camp. We consider a number of factors in selecting attendees from the pool of applicants. We rely heavily on the teacher recommendation and the student statement of why they want to attend camp to make decisions. We also select students from a cross-section of backgrounds and geographic areas and invite students who may be interested in engineering, but have little or no background, as well as students who already have some previous experiences. Application date can play a small role when all other factors are equal. Students will be notified by May 4, 2018 if they have been accepted to the camp or placed on a waiting list.

If you have questions, please contact Susan Lloyd at 252-444-3357 or slprice@ncsu.edu

PERSONAL INFORMATION

First Name ____________________ Last Name ____________________ Preferred Name ____________________

Address __________________________ City ______________ State _______ Zip Code __________

County of Residence ________________ Date of Birth ______________ Gender: Female / Male (circle one)

Parent/Guardian’s Full Name _____________________________________________________________

Daytime Telephone Number ____________________ Other Telephone Number ____________________

E-mail Address __________________________________________________________________________

Optional Ethnic Background (please check all that apply)

☐ African-American ✡ Hispanic

☐ Asian ☐ Native American

☐ Caucasian ☐ Other______________________________________________________________

PROGRAM INFORMATION

Have you applied to the NC State Middle School Camp before? ☐ YES ☐ NO If yes, When ____________________

Have you ever attended NC State Engineering Camp before? ☐ YES ☐ NO If yes, When ____________________

Have you attended any other Science/Technology/Engineering/Math camps before? ☐ YES ☐ NO

If yes, Camp Name(s) and Date(s) attended __________________________________________

How did you hear about this Engineering Camp?

☐ School Counselor ☐ Website ☐ Poster ☐ Other____________________________________________

☐ School Teacher ☐ Friend ☐ Previous Participant

☐ Please consider my child for a need based scholarship (this requires a letter from a school official demonstrating financial need)
SCHOOL INFORMATION

School Name _____________________________________________________________

Grade Entering in Fall 2018  
7th  [ ]  8th  [ ]  9th  [ ]

Please enter a final grade for each course that applies. (ex: A,B,C,D)

Algebra 1 [ ]  Science [ ]  Other Math [ ]

CAMP INFORMATION

- Camp hours are approximately 9 am to 3 pm, Monday through Friday
  - Craven Community College, Havelock June 18-22, 2018
- Lunch will be provided daily
- The total camp cost is $250.00.
- Application Process
  - Complete the application and mail with all other required information as described below.
  - You will be notified of your acceptance status by May 4, 2018.
  - If selected for camp, a $50 deposit will be due by May 18, 2018 and the remaining $200 will be due by June 4, 2018.

COMPLETING THE APPLICATION

1. Put all the information listed below in one packet:
   - Completed application signed by parent/guardian
   - Reference letter from teacher, school counselor or principal recommending student
   - Student’s statement about why they would like to attend camp
   - Letter of demonstrated financial need from a school official, if you are applying for scholarship
2. Mail packet by conventional mail to the address below. Packet should be postmarked no later than April 20, 2018.
