

Students,

Please review the September updates in regards to the EYE program.

As always, please be sure to keep an eye out for our monthly emails, and to regularly check the EYE program webpage that contains important updates and deadline information.

go.ncsu.edu/EYE

Update: EYE is happy to report that domestic travel is open for students to attend conferences. Please visit our website and you will see our EYE Program request form at the bottom of the page.

If you have any questions about the EYE Program, please email engrfund@ncsu.edu.

We are happy to assist you!—Dr. Shelly Hoover-Plonk

EYE Extravaganza

Friday, September 24th from 9:00 am-4:15pm.

“A day of learning how to experience more by thinking, traveling, and doing” ****Attend at least ONE session and you will receive a padfolio, pen and stress wolfie**

The purpose of the event is to showcase a variety of professional development programs and experiences available to students supported by the EYE Program.

There will be 18 workshops to choose from along with our keynote speaker, Larry Long Jr. (<https://larrylongjr.com/>) who will speak on **Mastering Relationship Building**. Students can choose to attend one or multiple sessions.

JOIN US on Friday, Sept. 24th for the VIRTUAL EYE Extravaganza!! [REGISTER HERE](#)

**All students must register for the event and have paid the enhancement fee in order to attend.*

Upcoming Engineering Conferences

Many of the engineering organization conferences held each year have returned to hold their conferences in-person. Some examples include:

AISES: September 23-25 Phoenix, AZ In-person Only

<https://conference.aises.org/>

SWE: October 21-23, 2021 Indianapolis, IN In-person AND Virtual

<https://we21.swe.org/>

SHPE: November 10-14, 2021 Orlando, FL In-person Only

<https://www.shpe.org/events/nc2021>

If you or a student group are interested in attending these conferences, please visit the EYE Program website and click on the request form at the bottom of the page go.ncsu.edu/EYE.

Clifton Strengths Workshops

Developing Cultural Competence Program sponsored by NCSU's Global Training Initiative (Sept. 24th Deadline)

This will be our second year to partner with the GTI for their Developing Cultural Competence Program. We had 30+ students participate in last year's program. **The deadline to register for October programs (listed below) is Friday, September 24th.** If you have paid the Engineering Enhancement Fee then the EYE Program will pay the \$100 registration fee.

October	Wednesdays	October 6, 13, 20 and 27	9:00 AM
October	Thursdays	October 7, 14, 21 and 28	8:00 PM
October	Fridays	October 8, 15, 22 and 29	9:00 AM

Please go to <https://airtable.com/shrDnYGdFzA67FUfF> to register for this program.

Study Abroad Deadlines

Please be aware of the September 15th deadline date to apply for Scholarship support for Winter 2021 and Spring 2022 Study Abroad. The opening date was August 2 and the deadline date is September 15th. In order to be eligible for EYE Program support, you must complete the Scholarship Application and you will be considered for other study abroad financial support as well. Please work directly with the Study Abroad Office. Completing the Scholarship Application does not mean a commitment for you to Study Abroad.

Study Abroad Program Scholarships –Complete the scholarship application first:

The GREEN Program International Certificates

The GREEN Program is offering two exceptional VIRTUAL certificate program opportunities for our NCSU Engineering students. We hope you can take advantage of them. If you are accepted, the cost of the program certificate will be covered for you. This program will provide you the opportunity to work with some key engineering problems while learning about them in an international context. No travel is involved. Employers are looking for students that have international experience, and this is one way to gain that experience without traveling.

Nepal: Ethics of Sustainable Development | Sept. 27-Oct. 11

Deadline: Monday, September 13th

Peru: Indigenous Knowledge of Sustainable Practices and Systems | December 9th-28th (a few days off will be given for holiday break).

Deadline: Friday, November 12th

For more details and registration information: <https://thegreenprogram.com/apply>.

Professional Development Workshops with NCSU Career Development Center

Fall Workshop Dates–Sept/Oct/Nov:

The College of Engineering EYE program, in partnership with the Career Development Center, is providing undergraduate engineering students these exemplary workshops to support your personal and professional development.

Please sign up through ePack at go.ncsu.edu/epack; Log in and then choose Events, followed by Workshops and choose from the workshops below.

Cost: If you are a junior or senior, you will receive a Strengths Assessment for Free. All students will receive the Emotional Intelligence assessment for Free as well. The costs for these assessments can be up to \$50. There are multiple dates available for each workshop.

Workshop Name	Date	Time
	September	
Strengths Basics	September 28	5:00 PM – 6:15 PM
Strengths Career Focus	September 30	5:00PM – 6:15 PM
	October	
Strengths Basics	Oct 8	1:00 PM – 2:15 PM
Emotional Intelligence	October 13	5:00 PM – 6:15 PM
Strengths Career Focus	October 15	1:00 PM – 2:15 PM
Job Search Basics	Oct 21	5:00 PM – 6:15 PM
	November	
Job Search Basics	Nov 3	5:00 PM – 6:15 PM
Emotional Intelligence (How to work with others)	Nov 4	5:00 PM – 6:15 PM
Emotional Intelligence & Strengths	Nov 11	5:00 PM – 6:15 PM
