A photograph of three diverse young adults, two men and one woman, standing outdoors in front of a blurred background of trees and a building. They are all smiling and making the 'rock on' hand gesture with their index and pinky fingers extended. The man on the left is wearing a red long-sleeved shirt. The woman in the center is wearing a black top with a red floral pattern. The man on the right is wearing a dark jacket over a grey shirt and glasses. The overall mood is positive and energetic.
